SMART ENOUGH TO DO JUST ABOUT ANYTHING.

Think about this. A hefty 2 GB of memory. Built-in USB connectivity. MP3 and WMA recording. More than 51 hours of battery life. And a new, intuitive design with larger LCD that makes the VN-8100PC so easy to use, you really won't have to think much at all. You can play, stop, fast-forward and rewind at the touch of a button. Change the font size. It even adjusts its microphone to bring you optimal sound quality, depending on where you are. With all these features at an affordable price, the VN-8100PC is a smart choice for anyone.

Capture It All.®
