NOW YOU REALLY CAN HAVE IT ALL.

The WS-710M has a whopping 8GB of internal memory plus a removable media option, so you can record, transfer and play back thousands of audio files and songs in MP3, WMA and PCM formats. Plus FM radio. All in incredible high-quality stereo sound. It plugs directly into your computer—no cable needed. Designed for simplicity, you can play or stop a recording, adjust the volume level, fast-forward and rewind with the touch of one button. And a new 30% larger backlit LCD screen lets you navigate with ease. What more could you ask for?
